METRO BINS

- **Versatile:** Metro Bins are available in a number of styles and sizes for every type of storage need. Metro Bins are either stackable or nestable, as well as dividable.
- **Storage Efficient:** When used with Super Erecta Shelf® shelving, Metro Bins offer an efficient method of organizing and identifying a wide variety of patient-care items. Semi-open, slanted fronts allow for visual inventory and easy access to contents. All Metro Bins have a molded front slot which accepts labels for content identification.
- **Durable:** Made of lightweight, rugged polypropylene for years of reliable service.
- **Metro "Stock" Bin:** Metro "Stock" Bin is designed for heavy-duty storage (i.e., bulk I.V. bags). Two dividers are provided with this stackable bin.
- **Metro "Exchange" Bins:** Available in two sizes, yellow exchange bins can be used to compartmentalize exchange carts or to store small patient care items. Dividers are available as accessories for special applications.
- **Metro "Bulk Supply" Tub:** Large grey tub can be used for storage of large, bulky items.
- **Olympic Stacking Bins:** Injection molded from polypropylene base material, these durable stacking bins have a hopper front for easy access to contents. Olympic bins are available in gray natural and feature a molded-in slot for hanging from bin bars.
