Three-Shelf Models

- Attractive and thoroughly practical, these carts are offered as complete units, shipped knocked down, with all components packaged in a compact carton.
- Super Erecta Shelf® Construction makes units easy to assemble with absolute rigidity, and makes relocation of shelves quick and simple.
- Choice of 26 Three-Shelf Models: Four different shelf combinations, each in five to ten different variations.

MW200 Series – Three stainless steel flat shelves. Six sizes. Stainless steel handles, except chrome handles on MW201.

MW300 Series – Two stainless steel flat shelves and one chrome wire shelf. Five sizes. Chrome handles. Wire shelf can be located top, middle or bottom.
